

Curriculum Vitae

Dr. Reinhold Kiehl

Biographical

Born October 8, 1947, Worms, Germany
Martital Status divorced 1997
Children two daughters (19 and 24 years old)

Educational Training

1966 - 1968 BASF (Ludwigshafen, Germany)
Qualification for State College of Engineering

1968 - 1971 State College of Engineering (Mannheim, Germany)
Bachelor of Engineering (Major: Technical Chemistry,
very good)

1971 - 1974 University of Heidelberg (Germany)
Master of Science in Chemistry (very good)

1975 - 1977 University of Heidelberg and Max-Planck-Institute
of Heidelberg (Germany), Prof. Th. Wieland,
Ph. D. (Summa Cum Laude) Chemistry, Biochemistry,
Physical Chemistry

2000 University of Rostock (Germany), Prof. B. Drewelow,
M.D. Clin. Pharmacology (D.Sc.)

Professional Experience

Max-Planck-Institute of Heidelberg (Germany)
Research Fellow, Department of Medical Chemistry,
Prof. Th. Wieland (Bioenergetics)

1977 - 1979 Scripps Clinic and Research Foundation (La Jolla,
California, USA), Postdoctoral Fellow, Department
of Biochemistry, Dr. Y. Hatefi (Bioenergetics,
Membrane Proteines, Proteomics)

1979 - 1985 Scientific Assistant (Assistant Professor) at the
Ruhr University of Bochum (Germany), Department
of Physiological Chemistry, Prof. L. Heilmeyer/
Prof. W. G. Hanstein (Bioenergetics, Phosph-Dephosph,
Membrane Proteines, Proteomics)

1985 - 1987 Scientific Assistant (Associate Professor) at the
University of Bielefeld (Germany), Department of

Physical and Biophysical Chemistry, Prof. E. Neumann
(Neurodegenerative Diseases, Membrane Proteines)

1987 - 1994

Head of the Laboratory and Research Department
at the Clinic of Neukirchen (Germany), Dr. G. Ionescu

2000

Professor, Medical Technics and Biophysics, Biomedical
Engineering, Karlsruhe/Heidelberg (Germany)

Sept 1979

FEBS-Advanced Course on Membrane Proteins at Bern

Sept 1988

Special Course on Radiation Protection/X-Ray
Examination at Munich

July 1992

GDCh-Workshop, Moleculare Biotechnology at Frankfurt

Sept 1992

GDCh-Course, Special Certificate on Genetic
Engineering at Regensburg

Febr 1995

GDCh-Course, Antibiotic Resistance, Mol. Mechanisms
and New Therapeutic Concepts at Frankfurt

Awards

1975 - 1977

Research Fellowship from the MPG/Germany

1978 - 1979

San Diego County Heart Assoc. Research Fellowship

1995 - 1996

Eur Chem / VDI

Present Position

Jan 1995 to now

Independent, Laboratory and Research for Molecular
Medicine/Biology (RKI), Furth im Wald, Germany

References

More than 200 publications until now

Hobbies

Sport (Strength events, walking), Traveling, Painting,
Music, Reading
